Over the course of the last year, Monongalia County, the City of Morgantown, Granville, Westover and Star City have been working to update their comprehensive plans in coordination with larger efforts to update the Metropolitan Transportation Plan.

The Comprehensive Plan Fair will be your opportunity to check in with the various project teams, including the latest MPO grant proposal, to see what has been accomplished, ask questions, and provide feedback on policy directions and recommendations to date.

Monongalia County has recently released its draft plan which is available on the County website:
