

THESE DELEGATES VOTED “YAY” ON 3/21/25 *FOR SB 460*, WHICH WOULD HAVE WEAKENED OUR VAX LAW (INSERTED RELIGIOUS/PHILOSOPHICAL EXEMPTIONS), BUT THEN VOTED “NAY” ON 3/24/254, VOTING TO *KEEP* OUR VAX LAW, thus killing SB 460.

These delegates should be thanked and encouraged to hold the line next session to ‘KEEP OUR STRONG VACCINE LAW’---NO EXCEPTIONS. (I would NOT refer to the fact that they changed their vote. A simple “thank you for keeping our law, protecting our kids” will do.)
